

4th Annual Report & Financial Statement

SEASON 2019/20

Cricket Southern Bayside Incorporated
ABN 42863931823
Registration No.: A0096568Q
www.southernbayside.com.au
Founded – 2016

Office Bearers – 2019/20

Board of Directors: Rod Kimmitt (Chair), Penny Callaghan, Graeme Cunnington, Iain Giles, Paul Glew, Meghan Mayman.

Head of Cricket: Warren Griffin

Operations Manager: Darren Anderson

Umpires Manager: Paul Jensen

Ground/Weather Advisor: Gary Murray

Men's Turf Competition Advisory Group: Paul Glew (Chair), Darren Anderson, Paul Daicos, Shawn Dougherty, Russell Keyt, Andrew Lasky.

Women's Competition Advisory Group: Penny Callaghan (Chair), Andrew Bath, Sarah Delbosc, Tracey Fletcher, Diana Gilbert, Rhiannon Robinson, Sven Samild.

Inner South East Cricket Committee: Tim Boyce (President), Phil Burns (Secretary), Peter Ciavarella, Ros Batson, Sven Samild, Greg Hansen, Ganesh Desai, Brendan Smith, Tom Facey, Shawn Prescott.

All Girls Cricket Competition Committee: Ros Batson (Co-Chair), Sven Samild (Co-Chair), Hannah Bailes, Ash Ventura.

Indoor Cricket Advisory Group: Ian Leach, David Lockey, Simon Varvaruc.

Tribunal Panel Members (CV): Paul Burns, Geoff Chancellor, Evelyn Halls, Ellen Hooper, Jonathon Manning, Blake Pappas, John Price, Mark Sheahan, John Voyage, Tom Wodak.

Affiliated Clubs: Ashwood, Aspendale, Balwyn, Bayside, Beaumaris, Bentleigh, Bentleigh Uniting, Bonbeach, Brighton, Brighton District, Brighton Union, Carnegie, Caulfield, Caulfield Grammarians, Chelsea, Cheltenham, Clayton District, Cluden, Dingley, East Malvern Tooronga, Emmanuel South Oakleigh, Glen Iris, Glen Waverley, Glen Waverley Cougars, Hampton, Heatherton, Kew, Kingston Hawthorn, Kingston Heath, Le Page Park, Maccabi Ajax, Mackie, Malvern, Mazenod OC, McKinnon, Melbourne High School OB, Mentone, Middle Park, Monash, Monash-Glen Waverley, Moorabbin, Mordialloc, Mount Waverley, Mulgrave, Notting Hill-Brandon Park, Oakleigh, Old Mentonians, Omega, Parkdale, Parkdale United, Port Melbourne, Prahran, Richmond City, South Caulfield, St Brigid's/St. Louis, Toorak-Prahran, Washington Park.

Chairperson's Report

It gives me great pleasure to table this fourth Cricket Southern Bayside Annual Report.

I finished last season's report noting that 2019/20 promised to be a season of excitement as we welcomed the ISEC Junior and AGCC competitions into the CSB family. Little did I know that it would be a season like no other. We started off the season marred by wet weather. Resumed after the Christmas break impacted by bushfires and smoke to finally finish the season under the cloud of COVID-19 which remains with us. Fortunately thanks to the tireless work of our dedicated volunteers and management we managed to complete the season just in time.

Unfortunately, we have not seen the full impacts of the COVID-19 crisis. At the time of writing it appears unlikely Indoor competitions will get off the ground, however we remain hopeful that something can be salvaged of the season. On the outdoor cricket front we continue to monitor the situation closely and will be advised by the State Government and Health experts as to the best and safest way forward for our members. However, be assured that our respective junior and senior Competition Management Groups are working hard behind the scenes planning various scenarios to ensure we are ready to go as soon as possible.

We also cannot ignore the impacts of this crisis on the wider cricket community. We have already seen the measures taken by Cricket Victoria (CV) which saw a drastic reduction in community cricket staff and a restructure of the community cricket department. This action will obviously impact on grass roots cricket, however as an organisation we must choose to look forward and to that point we look forward to working with the new CV East Metro and South East Area staff to strengthen cricket in the region.

Of course, the CV cuts have seen a number of great cricket people move on and I take this opportunity to thank them for their contribution to cricket in the region. In particular I must single out Warren Griffin and Darren Anderson for the impacts they have had on Cricket Southern Bayside.

Warren was our initial Head of Cricket before moving into an Area Manager role. He brought a level of passion and professionalism to the role that was second to none and fundamental to the successful launch of our organisation. Warren has chosen to leave CV and we wish him all the best in whatever the future holds. But we have not seen the last of Warren who has agreed to assist the board in preparations for the upcoming season.

Darren has also been with CSB from the start. Firstly, assisting Warren and supporting the implementation of the CV Metropolitan Community Cricket Strategy before moving into the CSB Operations Manager role. Like Warren, Darren's dedication and passion to the CSB cause has been infectious and he leaves a huge hole. Darren will continue with CV in the newly created Competitions Manager Role. We wish Darren all the best.

The CV Community Cricket restructure has impacted CSB more than most associations with their decision not to replace the CSB Operations Manager role. At the time of writing the CSB Board and CV Management are still in discussions as to how this matter will be resolved. These discussions have been collaborative we are making progress. Suffice it to say that the CSB Board, whilst respectful of CV current circumstances we will not accept any solution that reduces the service levels we provide to our members.

As I mentioned at the outset of this report 2019/20 saw the first junior games being played under the CSB banner with the ISEC Junior and AGCC competitions coming on board. They have been a wonderful addition to the CSB family with games played in great spirits along with outstanding administration. I encourage all CSB Member clubs to engage with the ISEC and AGCC management teams and taking advantage of their participation opportunities.

Overall CSB is in extremely good health. Off the field we have had another strong year from a financial perspective and our governance practices continue to evolve and strengthen. On the field we can now boast 56 clubs and 423 teams across all demographics. Indoor, Outdoor, Senior, Junior, Men, Women, Boys and Girls. This represents unprecedented growth in both depth and breadth of participation, remembering we started in 2016 with 23 clubs and 87 teams and only offered senior men's competitions.

It is this willingness to explore new participation opportunities, our preparedness to be bold and innovative along with a desire to engage the wider cricketing community that has led to our success. A success each and every one of us should be proud of. Now more, than ever we must channel this new thinking to ensure we come out of these troubling times not just whole, but ready to embrace the new normal and the opportunities it will present. I am extremely optimistic that the foundations we have built together in the last four years will hold us in good stead to do just that.

Before I close off this Chairman's report, I would like to take this opportunity to thank each and every one of our member clubs and participants for their ongoing support. It is this support that gives us the confidence to work on your behalf. I do however need to thank some individuals and groups who go above and beyond.

- Our Competition Management Groups
- The committees of both ISEC and AGCC
- Our Sponsors, Partners and Supporters
- Our Umpires and Officials
- Our Volunteers and Parents
- Local Governments
- Members of the CSB Board

To anyone I have missed my sincere apologies. There are just simply so many people and organisations that go towards CSB success that it is inevitable that I miss someone.

In closing I would like to wish each and every member of the CSB family good health and trust that we get through the current crisis safely and get to play some cricket sooner rather than later.

Rod Kimmitt
Chairperson

It's fair to say the 2019/20 season was not ideal! We had to contend with less than ideal weather conditions throughout the season, concerns about air pollution following the bushfires which ravaged the country and then the threat of the COVID pandemic during our final's series. However, the way the players, umpires and club volunteers handled each of the frustrations is a credit to themselves and ensured the quality of cricket played was at a very high standard.

This year saw the beginning of the integration with Inner South East Cricket (ISEC) and All Girls Cricket Competition (AGCC) as part of the Melbourne Metropolitan Cricket Strategy. With these competitions coming under the CSB banner, an impressive 4,386 (3825 male and 561 female) players took to the field in our outdoor competitions during the season. Additional to these numbers are our Indoor Cricket programs which grew to include a female NICL team to join our male team as well as two Super League Men's teams and the junior competition which was run out of Oakleigh Indoor Centre with great success.

Our competitions have benefited this season from the partnership with GameFace, providing unprecedented promotion and exposure for local cricket through their preseason media day, match day coverage, weekly cricket show and live streams. We hope that the learnings from this season will be able to be built upon to provide an even better product in coming seasons.

We are very lucky to have some wonderful sponsors within the competition, all of whom have made it an easier process to operate on a weekly basis. Without the support of these businesses, competitions like ours would find it very difficult to operate, so we need to ensure that our clubs support these businesses to ensure our partnerships are ongoing.

A few people and groups have provided vital support and assistance throughout the season, and I would like to thank each of them:

- CSB Board and ISEC/AGCC Management teams for their support and guidance throughout the season.
- Paul Jensen, Gary Murray, Russell Keyt & Paul Daicos the way they performed their roles and did anything that was asked of them.
- Our Representative Team coaches (Hannah Bailes, Gaby Lewis, Emma Gallagher, Dale Christie & Shane Hesline) the way they embraced their positions and provided valuable guidance and support to the players in the respective teams.

- The Tribunal Panel Members, in particular Tom Wodak for volunteering their time throughout the season to assist with judicial procedures.
- The Competition Management Groups who helped establish rules, guidelines and direction for the relevant competitions.
- Each of the Local Government Authorities (Bayside, Kingston, Glen Eira, Monash, Port Phillip) who have worked collaboratively with us over the past few years to ensure information is shared and standards set for cricket to be played.
- The Cricket Victoria CSB team led by Warren Griffin for the support and assistance provided to the clubs within the competition.

I would also like to thank each of the club administrators and volunteers who have provided support, insight and valuable feedback on a regular basis. I will miss the conversations (both at the grounds on a weekend or over the phone during the week) I was able to have with you discussing everything from the rules of the competition to the standard of afternoon teas on offer at various clubs.

Unfortunately, due to the restructure at Cricket Victoria, my position as CSB Operations Manager has been made redundant, however I have been appointed to a new Competition Manager position which will still allow me to provide so support and guidance to CSB (Board and Competition Management Teams). Whilst I am excited about my new role, I am sad to be leaving Cricket Southern Bayside. In the past four years, we (clubs, players, umpires, volunteers and CSB board/staff) have developed the competition to be the best community cricket competition in the state (if not Australia) and it is something we should all be very proud of.

In closing, I look forward to watching the continued growth of Cricket Southern Bayside and hopefully the weather in 2020/21 is friendlier than this season.

Darren Anderson
Operations Manager

I am proud to present my first President's report for season 2019/20 to our affiliated Clubs, Life Members, past and present players, sponsors, parents, volunteers and supporters of Inner South East Cricket (ISEC) and the All Girls Cricket Competition (AGCC).

Taking over from Iain Giles this season has been a substantial, and enjoyable task. Iain's passion for ISEC, the AGCC and junior cricket in general is remarkable, and he did a fabulous job in his 5 years as ISEC President. At a time when the competition was questioned in terms of ongoing relevance, Iain put up his hand to lead it into the position of strength it holds today. That will be his legacy.

To complete a significant administrative overhaul, Phil Burns also replaced the great Neil Daly as Secretary. This report is too short to outline all of Neil's achievements with ISEC and if I try, I will leave things out. Suffice to say, for more than the last decade Neil put his heart and soul into ISEC, and the strength of the competition as it currently is should be considered his great legacy.

As per our constitution, following the 2018/19 AGM a new Committee was formed consisting of 10 volunteers to take administrative responsibility of our 118th season. I would like to acknowledge and thank them all for their tireless work and dedication throughout the season. The Committee consisted of the following people;

- Phil Burns – Secretary
- Peter Ciavarella – VMCU Delegate and Representative Coordinator
- Ros Batson and Sven Samild – Co-Chairs All Girls Cricket Competition
- Greg Hansen – Competition
- Ganesh Desai – Umpires Coordinator
- Brendan Smith – Competition
- Tom Facey – Asst Secretary & Competition
- Shaun Prescott - Competition

2019/20 has been the first season for ISEC integrated under the administrative overlay of Cricket Southern Bayside (CSB). I would like to thank Iain Giles – now a CSB Board Member, for taking the reins in steering us in the integration, along with assistance from myself and Greg Hansen.

Having signed a Heads of Agreement on 18th May 2018 and established an Integration Steering Committee comprising ISEC, CSB and SECA representatives, the initial transition for ISEC proved to be relatively seamless. For that we thank the support of all our Clubs, as well as the great work from the CSB board – in particular Rod Kimmitt and Graeme Cunnington – and the CSB employees Warren Griffin & Darren Anderson.

In last year's Annual Report, Iain outlined the key reasons for integration. His words were as follows:

"The approved integration will address the challenges our sport and Clubs face, although not all are immediate ISEC/AGCC issues, which include;

Stagnant Player numbers

- Dedicated staff and resources have been allocated across our region to assist Clubs with player growth, including;
- Participation Officers to work with schools, Cricket Managers to improve Club to School recruitment opportunities and Club Officers to work with Clubs

Club Welfare & Financial Stability

- Dedicated Cricket Managers and Club Officers will work with Clubs on governance, systems (MyCricket), policies and procedures
- Cost efficiencies through reduced duplication and improved systems

Local Government Authority (LGA) relationships / Facility quality & accessibility

- Area Manager & Cricket Managers will assist Clubs on facility development to LGA/State/Federal Government
- CSB will offer a single voice to LGA's rather than 2-3 associations with differing demands
- Dedicated resources to work with Clubs and LGA's

Umpire Quality & Retention

- CSB Operations Manager will coordinate (in conjunction with umpire managers) umpire ratings/education/promotion and recruitment
- Increased opportunities for umpires to earn and learn via access to additional competitions
- Improved pathways for umpires to higher levels
- A larger pool of umpires creates greater opportunities for collegiate support

External threats

- Be a sport that is easier to engage with by providing a structure that is understood
- Provide increased opportunities for players to be involved their way
- Develop united strategies for participation recruitment and retention e.g. Indoor Cricket"

It is fair to say that over the past 12 months, whilst many of those issues have been well managed and addressed, the biggest impact on ISEC as we sit here today is the Cricket Victoria reaction to the impact of lower revenue from Cricket Australia which is in part due to the impact of COVID-19.

By reorganising itself administratively to take 75% of the staff out of Community Cricket, it is hard currently to see the decision as anything other than a statement that local clubs, associations and players will largely need to fend for themselves with a fraction of the support we previously had. Fortunately, ISEC/AGCC is strong administratively and financially, and has the support of some outstanding clubs and club administrators.

Therefore, it is not worth any further speculation or discussion in this report as to what the outcomes for cricket, clubs and players might be. Our focus needs to be firmly on doing what we do well – delivering an enjoyable experience to every player from every club in a way that makes them feel supported, such that their cricket experience is a positive one, allowing them development as a player and fun with their friends. If we do that, we will generate parental support and enthusiasm for the game.

In the past season, over 4000 boys and girls participated in playing cricket across our League in Club run Cricket Blast- Junior Blaster and Master Blaster programs, junior boys, Representative programs, the enhanced T20 Competition and of course the AGCC. The following points illustrate the diversity of the competitions ISEC and the AGCC provide as well as Cricket Blast programs delivered by Clubs.

- 172 teams played in the 23 Home & Away competitions,
- 20 teams play in 5 x T20 Cup Challenge competitions,
- 41 teams & 400 girls played in the 3 x AGCC competitions,
- Over 1000 kids in Master Blast programs run by ISEC Clubs,
- 110 girls and boys played representative cricket for ISEC

We thank the work all our affiliated Clubs do throughout the year to promote cricket, and specifically acknowledge the volunteers within those Clubs who are the backbone of ensuring community cricket continues to survive and provide boys and girls the opportunities to play. As more clubs put teams into our competitions, we are blessed with an even greater bench strength of volunteers.

This year ISEC fielded 9 Representative Teams in the January VMCU carnival, almost defending the Julie Savage U14 Girls Shield won last year and having our Beitzel U16 Boys making it to the semi-finals. I would like to thank our Representative Coordinator, Peter Ciavarella, and our fantastic group of Coaches for their delivery of an outstandingly well conducted program that provided all boys, girls and parents an experience I know all enjoyed.

2019/20 saw the seventh season of the AGCC continue under the Co-Chairs Ros Batson and Sven Samild. I would like to thank Ros and Sven for their outstanding commitment and dedication in continuing to develop the competition across the inner east and bayside regions of Melbourne. This saw the number of Clubs increase to 25 and the number of players increase to 400.

The AGCC is recognised as one of the best in Australia by Cricket Australia. I would like to acknowledge the ongoing and growing number of volunteers across the AGCC Clubs for their commitment and passion in supporting this competition and what it represents – Players first, Fun, Participation, Skill Development and Collaboration over Competition. More can be read about the 2019/20 season in the AGCC report.

Financially ISEC has had a strong year, with the substantial assistance of CSB. Revenue remained similar with no fee/affiliation increases, and we were able to run our representative program at just short of break even, whilst paying some excellent coaches and providing a strong level of support. With savings on trophy costs, ground hire, uniform costs and the like, we were able to deliver a strong surplus which we will funnel back to the players and clubs during the next season.

I would like to again thank our major sponsor Kookaburra Sport. Their continued support has been invaluable and has enabled us to;

- Dress our representative teams in again the best uniform across all associations,
- Increased the level of coaching support for our Representative teams.
- Provide equipment to all clubs (yet to be handed out due to Covid...)

I would urge all ISEC affiliated Clubs to ask Kookaburra Team Apparel about what they can do for you when ordering for next season.

We have a very strong contingent of umpires, who under the guidance of Ganesh Desai have helped us through the least contentious and confrontational season we have had. Umpiring is a difficult task, hence this year we created two new awards, the Junior Umpire of the Year and the Umpire of the Year, in recognition of the importance of the role and the criticality of developing our young umpires. It was particularly satisfying to have one of our young umpires win the Umpire of the Year.

Finally, to Malvern who were first time winners of Club of the Year, and to Mt Waverley who were first time winners of Best Administered Club, our heartiest congratulations.

As Iain reiterated each year, we see the role of the Committee is to leave the Association in a better position than it found it and I believe we have continued that journey again this season. We charted “new waters” with the integration with CSB, and we will continue to work with our affiliated Clubs and cricket stakeholders to strive to provide a cricketing experience for both boys and girls to develop, maintain and grow their love of cricket.

I look forward to your support and engagement with ISEC and the AGCC in the coming season.

Yours sincerely,

Tim Boyce

President – Inner South East Cricket

All Girls Cricket Competition Report

The All Girls Cricket Competition (AGCC) had another outstanding season. 41 teams participated across 25 clubs with almost 400 players across the SECA and ISEC regions. This is an increase of 10 teams from the previous season. Official numbers show that we have 102 more players this season than last season.

The introduction of the Libby Nicholls and Annabel Sutherland Cups for the 13&U Stage 2 and 16&U competitions was extremely well received. The competition is currently at a level of maturity where there is a discrepancy in the abilities of the players creating an almost two-tiered structure within each of the Stage 2 age groups. Having the 5th - 8th teams to play off for a Cup gave them more games of cricket, something to aspire to, as well as the opportunity for the Competition to recognise two individuals.

The Premiers for 2019-20 were:

16& Under Premiers - *Glen Waverley (Gold) CC*

16& Under Libby Nicholls Cup - *Kingston Heath (Red) CC*

13& Under Premiers - *Washington Park/Carnegie CC*

13& Under Annabel Sutherland Cup - *East Malvern Tooronga CC*

A significant number of players, 138 in fact, were involved in Representative Cricket during the season including in the YPL (U14, U17 Scorpions, Pioneers and Breakers), VMCU (U12, U14, U16 for ISEC, the DDCA and SECA) and a competition against Cricket Tasmania in which the AGCC team won every game. The AGCC players demonstrated the importance of having a strong competition from which to draw representative players. Three current players represented Victoria at the U/15 Cricket Australia National Championships in Canberra.

Grant Spending

The AGCC received grant money from VicHealth and used it to purchase branded spring back stumps. They were provided to clubs who had additional or new teams in the competition this season. The recipient clubs were grateful, and we hope to be able to continue to support AGCC clubs with equipment or other needs.

General comments

With growth comes things to be mindful of. Firstly, would be ensuring that new coaches are aware of the principles that underpin our competition - collaboration, fun, player development in an encouraging and engaging environment. Secondly, ensuring an adherence to the rules regardless of what they might do within other junior competitions at their clubs. The AGCC committee is thinking through a "welcome pack" for new coaches and team managers.

The management overall of the representative cricket experience for our girls was a good one, however, we can see where improvement is required for team selection and trialing and will endeavour to implement changes for next season.

There have been a few reminders necessary regarding the rules as there are coaches who are taking liberties and need to be reminded to play in the spirit of the competition. This is an ongoing situation and is being managed as best as possible.

As per previous years, the AGCC will review the rules at the Annual Planning Day and discuss any changes. Topics at this stage are:

- Managing 9 a side teams when you have 11 players
- LBW for 13&U and 16&U Stage 2
- Retirement of batters and their return to the crease
- Introduction of the U18 competition

Recognition

The AGCC Committee is to be commended on their efforts in ensuring the smooth running of the competition and keeping the intention of the competition front of mind at all times. Thank you to Sven Samild, Hannah Bailes and Ash Ventura for their tireless work and commitment to the competition. Every one of the committee members are currently coaches of an AGCC team as well as having positions within their own Clubs. Finding time to dedicate to the AGCC obviously comes from a drive for something greater than themselves. Truly remarkable individuals.

Iain Giles, Tim Boyce and Phil Burns need to be recognised for their ongoing support of the AGCC and passion for its growth. They also provide invaluable expertise in relation to competition rules and management.

Emma Gallagher of Cricket Victoria was tireless in her endeavours to grow the AGCC and continues to be a key contact at CV aligned with the aspirations of the competition.

A huge thank you to Warren Griffin and Darren Anderson of Cricket Southern Bayside. Darren provided an incredible amount of operational support this past season with fixturing, representative cricket support, equipment orders and website updates. His agreeable nature and direct communication style was greatly appreciated and we are disappointed that he is no longer providing support to our competition. Thanks Darren - all the best with your new role.

Finally, thank you to all the clubs, coaches, and team managers that make our competition tick. We have strong relationships with many of the coaches and appreciate the time and effort they contribute. The competition only succeeds because we do it together.

And of course, we all do it for the players because they deserve our efforts.

To all the players in the AGCC, we hope you enjoyed your season of cricket, achieved a personal best and are looking forward to the next one. We certainly are.

Rosalinda Batson

co-Chair All Girls Cricket Competition

Indoor Cricket

At the start of the year, Cricket Southern Bayside came together with the Springvale Seahawks to become the Southern Bayside Seahawks.

The offering expanded this year to go from one NICL Men's team, to have a male and female team playing in the National competition, three senior men's teams playing in the State League competition and a junior club-based competition.

We saw improvement in both the Men's and the Women's NICL teams as the season progressed, however neither side were able to finish in the final's placings.

- NICL Men's MVP Season 2019 – Jonathan D'Rozario
- NICL Women's MVP Season 2019 – Alex Cornelius
- Super League Div 3 MVP Season 2019 – Wesley Fraser
- Super League Div 4 MVP Season 2019 – Rhys McDonald

- Most Improved Season 2019 – Pratham Raje
- Best Club Person Season 2019 – David Lockety

The inaugural junior competition was played out of Oakleigh Indoor Centre and saw 16 teams from local clubs participate in the Under 12 & U14 divisions. This is a fantastic result which will hopefully grow into more teams and competitions for both boys and girls in the coming years.

- Junior Competition Grand Final results:
- U14 Div 1: Mount Waverley CC defeated Oakleigh CC
- U12 Div 1: Malvern CC defeated Murrumbeena CC
- U14 Div 2: Toorak-Prahran CC defeated Malvern CC
- U12 Div 2: Elwood CC defeated Glen Waverley CC

CSB Seahawks NICL team following Clive Rose's debut match.

The inaugural CSB LadyHawks team which competed in the NICL

NICL Female MVP Alex Cornelius and Best Club Person recipient David Lockety.

Under 12 Division 1 Premiers Malvern Cricket Club.

A panel of 33 umpires officiated across all forums of the competition down from 38 the previous season. A bonus was the depth of talent, with one-mark difference between the top nine umpires based on captains' umpire performance assessments. There was a flow on effect throughout the group. Two members experienced Championship Division for the first time, James Watson and Mark Sullivan.

Recruitment was enhanced by the initial awarding of 'iGoDirect' umpire scholarships to Clare Haysom and Tom Negri. Clare and Tom made outstanding contributions not only to umpiring standards but also as ambassadors for CSB.

High performing umpires were rewarded by allocation to CSB v Tas U13 representative games. Performances were rated excellent by local and visiting team managements.

Training and development meetings were well attended with robust discussion leading to an improvement in on-field performances.

Umpire recruitment and retention is one of my biggest challenges. More and more teams, less and less umpires is becoming a pressing issue.

We were able to celebrate a significant milestone during the season, with Cliff D'Souza officiating his 700th match in a Sunday Division 1 fixture between Moorabbin & Chelsea Cricket Clubs. Well done to Cliff on this milestone and thank you for all your efforts over several decades as a community umpire.

Thanks to Warren Griffin, Darren Anderson and the CSB Board for their support.

Paul Jensen

CSB Umpires Manager

CSB / iGoDirect Umpire Scholarship recipients Clare Haysom and Tom Negri with CSB Umpires Manager Paul Jensen & iGoDirect's Stuart Jensen.

CSB Umpire Steve Yeats congratulates Cliff D'Souza before officiating in his 700th match.

UNDER 13 CRICKET TASMANIA SERIES

Following on from the inaugural Cricket Southern Bayside Versus Cricket Tasmania Junior Series in 2019, once again CSB hosted an Under 13 Boys and Under 14 Girls team to play CSB from 20 to 24 January 2020 at East Malvern Tooronga CC venues.

Last year Cricket Tasmania brought a very strong squad of boys and a developing girl's squad, which ultimately saw the CSB Girls too strong for Tassie, but the Tassie Boys outpointing CSB.

This year the CSB boys, comprising of ISEC & SECA players, were physically quite a bit bigger than their Tasmanian counterparts, and with strong skill sets to match, were too good for the Tassie Boys across 3 matches, playing on synthetic and turf, from T20 to 40 over formats.

The Girls competition was very close, with all 3 matches in the balance at various stages and all decided by small margins. The 2nd round match was quite extraordinary, with Tassie losing 4 wickets for no runs to lose the match by 3 runs, 77 to 74.

Whilst the week of weather was particularly difficult, with some matches moved from turf to synthetic, reduced overs, and the round 3 Thursday matches washed out completely, we still managed to get 3 matches completed each for the Boys and Girls.

A very big thank you to our Umpires for the week, Coaches Hannah Bailes and Gaby Lewis, our apparel sponsor Kookaburra for providing the CSB Teams with Shirts and Caps, the ISEC Executive and Kim Pitt from SECA, and especially to Carl Carter, Noel Fidock, and Mike Fogarty from East Malvern Tooronga CC for their amazing selfless support and work.

Results

Boys

- Round 1 – CSB 7/173cc defeated Tasmania 68
- Round 2 – Tasmania 83 defeated by CSB 5/84
- Round 3 – Washed out
- Round 4 – CSB 6/130cc defeated Tasmania 9/82

Girls

- Round 1 – CSB 9/85cc defeated Tasmania 64
- Round 2 – CSB 77 defeated Tasmania 74
- Round 3 – Washed out
- Round 4 - CSB 100 defeated Tasmania 9/60

Representative Cricket

SENIOR REPRESENTATIVE MATCHES

Following on from last season's inaugural Women's Representative match with the NMCA, Richmond City did an amazing job in host this year's match on a cool Friday night.

With the ICC Women's T20 World Cup Trophy in attendance as part of the official roadshow, a good size crowd watched a match played with high levels of skill and great comradery.

Unfortunately, due to a shoulder injury sustained by one of the NMCA batters the match ended early in the fading light. A Duckworth/Lewis calculation decided that NMCA were ahead of the run rate and announced as the winners of the match.

An Under 21 T20 match was added to this year's Battle of Bayside as a pre cursor to the senior match held at Hurlingham Park on the synthetic wicket.

The match went down to the wire with SECA hitting a six in the last over to reach the target. The match was a great showcase of the young talent within the competition and Dale Christie did a great job as coach of the team.

CSB was out for revenge in this year's senior match and eventually achieved victory in an absorbing match which fluctuated in both innings. Shane Hesline did a wonderful job in bringing the team together as coach and Brad Kruger as captain.

Award Winners

MOST VALUABLE PLAYERS

Championship Division

Hampton's skipper Daniel Forbes has capped off an amazing season by taking out the Championship Division Most Valuable Player Award.

Forbes polled 25 votes to finished well clear of Carnegie's captain Abhilash Sharma (17) and Hampton teammate Jeremy Lawlor (14).

Forbes contributed significantly throughout the season with bat and ball, amassing 707 runs whilst also taking 29 wickets. It was this consistency which saw him poll votes in 10 matches.

Division One

Murrumbeena's English recruit Matthew Morris had a massive first season in Cricket Southern Bayside. Opening the batting all season, Morris peeled off 756 runs as well as proving to be more than a handful with his off-spinners by claiming 25 wickets.

Morris polled 23 votes to finish clear of McKinnon all-rounder Wade King (16) and two-time Division 1 MVP Brad Kruger (13). Morris polled votes in 9 matches.

Division Two

Lakpriya Peiris has won the Division 2 MVP Award following a great season which helped guide Chelsea CC to the premiership.

Peiris polled 13 votes to finish just in front of Cheltenham's Jed Donnell, Parkdale United captain Cal Ravesi, Clayton District's Prabhjot Singh and up-and-coming Port Melbourne spinner Dylan Harrison-Smith all who finished on 11 votes.

Peiris contributed with both bat and ball for the Seagulls, making 397 runs (including 122 in the last round of the season) and taking 25 wickets

Women's Competition

Bentleigh CC all-rounder, Louise Adams has won the Women's Competition Most Valuable Player Award.

Adams polled 22 votes to finished in front of Cluden CC duo Millie Sweet (20) and Aish Ravi (16). Consistent contributions throughout the season saw Adams poll votes in 7 matches.

With the bat, Adams scored 209 runs and was dismissed just once and grabbed 11 wickets with the ball.

FINANCIAL REPORT FOR THE YEAR ENDED 30 APRIL 2020

Directors' Summary
Financial Report

Consolidated Financial Statements

Consolidated Statement of Financial Position
Consolidated Statement of Profit or Loss
Notes to the Consolidated Financial Statements

DIRECTORS' SUMMARY

The directors of Cricket Southern Bayside submit herewith the financial report for the financial year ended 30 April 2020. To comply with the provisions of the Corporations Act 2001, the directors report as follows:

The names and particulars of the directors of Cricket Southern Bayside during or since the end of the financial year are:

Name	Board Tenure
Rod Kimmitt	4 years
Penny Callaghan	3 years
Graeme Cunnington	4 years
Paul Glew	4 years
Meghan Mayman	2.5 years
Iain Giles	2 year

The above-named directors held office during and since the end of the financial year.

Directors Meetings

The following table sets out the number of board meetings held during the financial year and the number of meetings attended by each director (while they were a director). During the financial year eight meetings of the Board we held.

Director	Board Meetings		
	Held	Attended	Apology
R Kimmitt	8	8	-
P Callaghan	8	7	1
G Cunnington	8	7	1
P Glew	8	8	-
M Mayman	8	8	-
I Giles	8	8	-

It gives me great pleasure to present the financial report for season 2019/20 for Cricket Southern Bayside.

We are certainly in interesting times and while the COVID-19 pandemic did not impact the regular season, we were unable to hold our annual presentation night, stage our indoor cricket competitions and we have seen the loss of some sponsorship. The pandemic has also delayed the audit of these accounts and as such they are presented as unaudited.

This season we delivered a surplus of \$24k, an increase of \$9k above last season. The results include ISEC/AGCC delivering a surplus of \$5k for the season. Their capital contribution of \$10k as per the integration agreement has been included in the balance sheet.

Revenue for the period was \$409k, (FY19 \$297k), up \$112k of which ISEC/AGCC contributed \$111k.

Key revenue items included:

- Equipment and Ball sales \$142k, up \$64k (ISEC/AGCC \$42k). Balance of \$22k (offset in Cost of Goods Sold) reflected higher sales from more teams, noting last season was low as Clubs utilised existing stock.
- Registration fees includes; team affiliations, representative player fees and indoor match fees were \$85k, up \$38k (ISEC/AGCC \$43k). The balance, a decrease of \$5k reflected no indoor competition (\$10k), partially offset by additional teams and introduction of midweek T20 competition, up \$5k.
- Sponsorship & Royalties were \$89k, up \$25k (ISEC/AGCC \$22k). The balance due to increased support from Kookaburra through provision of equipment and Bendigo Bank; addition of new sponsors (Knight Sports, Garrleigh Trophies and iGoDirect) offset by Taubmans not renewing their sponsorship.
- Umpires fees were \$86k, down \$6k (ISEC/AGCC \$4k). Balance \$10k reflecting lower umpire numbers (offset in expenses). This continues to be a major challenge for CSB and cricket in general.
- Other items include; Fines \$6k, up \$3k and Events down \$7k due to no presentation night.

Expenses were \$384k (FY19 \$282k) up \$102k from previous season of which ISEC/AGCC were \$106k.

Key expense items were:

- Cost of sales of equipment and balls were \$140k, up \$64k (ISEC/AGCC \$42k). Balance of \$22k reflects higher ball sales (offset with Equipment and ball sales above).
- Umpire and honoraria include; competition and representative team umpire costs, representative coaches and honorary positions \$126k, up \$16k (ISEC/AGCC \$24k). Balance of \$8k represents lower umpire costs due to less umpires (offset above).
- Equipment \$42k, in line with last season which included Kookaburra club kits and balls provided to Clubs.
- Apparel included uniforms for our representative cricket teams including; the "Battle of Bayside" fixture, Women's inter-association match, VMCU junior carnival and matches against Cricket Tasmania. Costs were \$25k, up \$12k (ISEC/AGCC \$16k).
- Match expenses include costs for staging finals and indoor competition were \$15k, in-line with previous season (ISEC/AGCC \$7k). Balance reflects no indoor competition (offset by lower registration costs).
- Advertising and Sponsorship costs of \$5k reflected GameFace charges.
- Event costs were lower due to not holding a presentation night, while Trophies, Administration, Professional fees and other expenses experienced modest increases reflecting incorporation of ISEC/AGCC and growth in competitions.

The balance sheet continues to build with Net Assets now just under \$90k. Cash at bank of \$75k, match ball stock \$4k, receivables of \$24k and payables are \$13k. At the time of writing, receivables were down to \$5k. In addition, all GST liabilities have been paid.

Overall, this has been another good result. We have seen benefits as we progress the integration with ISEC/AGCC and continue to attract new Clubs to our competitions. It would be remiss of me not to mention the work the ISEC/AGCC team under Tim Boyce have undertaken and I thank them for their commitment and collaboration as we work towards full integration.

There has been much said about the changes at Cricket Victoria and the impact on Cricket Southern Bayside. I would acknowledge the support from Cricket Victoria through provision of staff, an interest free loan (paid back each season) and use of resources since our inception. This support has allowed us to establish ourselves from the ground up, as we aim to be the leading community cricket competition in the state.

I would also like to thank Warren Griffin and Darren Anderson for the immense amount of work they have done of the past four seasons in establishing and growing Cricket Southern Bayside. Their professionalism, support and effort has been first class and I wish them both the very best for the future.

Lastly, I would like to thank our Chairman Rod Kimmitt, our Volunteers, my fellow Board members and our Clubs for their continued support.

Graeme Cunnington
Director - Cricket Southern Bayside

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR PERIOD ENDED 30 APRIL 2020

1. Statement of significant accounting policies

a) Statement of compliance

The committee has determined that the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

These financial statements have been prepared in accordance with following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1031	Materiality
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

b) Basis of measurement

The financial statements have been prepared on an accrual basis and are based on historical cost and do not take into account changing money values except where specifically stated.

2. Statement of significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

c) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment

Although there are no reported values associated with plant and equipment, it follows that any plant & equipment will be measured on the cost basis less depreciation and impairments losses.

The carrying amount of plant and equipment is reviewed annually by the committee members to ensure that it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed based on the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

Although there are no reported values associated with plant and equipment at cost, it follows that the depreciable amount of all fixed assets, excluding freehold land will be depreciated on a straight-line basis over the asset's useful life to the association commencing from the time the asset is held ready to use.

The depreciation rates that will be used for each class of depreciable asset are:

Plant and equipment	20%
Motor vehicles	25%

The assets' residual values and useful lives will be reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount will be written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals will be determined by comparing proceeds with the carrying amount. These gains and losses will be recognised immediately in profit and loss.

When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

d) Impairment

At each reporting date the committee assesses whether there is objective evidence that a financial instrument has been impaired. If any such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

e) Income tax

The association is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits, held at call with banks, other short-term highly liquid investments with original maturities cash within three months.

g) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

h) Inventory

Inventory held for sale are measured at the lower of cost and net realisable value.

i) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of an asset or as part of an item of expense. Receivables and payables are stated inclusive of GST.

j) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in income in the period in which they are incurred.

k) Trade creditors and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days on recognition of the liability.
